Bohannon Huston Announces Two Leadership Promotions

Albuquerque, New Mexico/ March 17, 2015 – Bohannon Huston (BHI) announces the promotion of Denise Weston and Tim Solinski to Vice Presidents.

Denise Weston, Vice President in Traffic and Transportation is an AICP Certified Planner and has a master's degree in Environmental Planning. She has been with BHI for three years, and has over 20 years of experience in planning in both New Mexico and Colorado. Ms. Weston's expertise includes project management, environmental planning, land use planning, and transportation planning as well as public outreach. Ms. Weston is responsible for business development and delivery of planning services at BHI.

Tim Solinski, Vice President in Spatial Data, is a Professional Land Surveyor who has been with BHI for ten years. While leading both field and office staff, he has executed a broad range of surveying projects involving project development, management, and customer relations. Mr. Solinski's expertise includes Right-of-Way Survey, Geodetic Survey, Boundary Survey, and Project Management. Mr. Solinski is also responsible for Business Development in the Spatial Data Group.

"We welcome Denise and Tim to the BHI leadership team and look forward to their continued contributions to the company's success", stated Brian Burnett, President.
